### SCHOOL SPIRIT

School spirit is a term we usually apply to athletics. Few realize the deeper and truer meaning of the phrase. It extends through all our school life, whether it is in athletic contests or in student government issues.

School spirit is the willingness to put forth effort to make school life enjoyable. It is evidenced in our care of the building, our desire to have our school excel, our response to school activities and our willingness to cooperate in the endeavors of the faculty and community.

Students of Minco High School exemplify spirit by remembering that, when they are in another city, the responsibility for our school's reputation rests upon their shoulders. Students should always conduct themselves in such a manner that no criticism will be brought to Minco High School.

School spirit also means not being satisfied with anything but the best and extending that desire throughout your school life. Take personal pride in the school you attend. Be proud you're a BULLDOG!

### ACTIVITIES AND TRIPS

Students participating in or attending school-sponsored activities have the privilege of being a representative of Minco High School. It is each student's responsibility to exercise that privilege with pride and spirit. Our school is known in other towns by the standards our students practice while participating in, or attending, various events. We expect our students to display proper attitudes, sportsmanship, honesty, and integrity.

- A student is under full obligation to obey all school policies and procedures.
- If a student misses class/classes for a school-sponsored activity, it is the student's responsibility to get the assignment and complete the work missed. It is required that the work be handed in before the activity absence unless you have teacher approval.
- Students must go and return in transportation provided by the school. Extreme hardship reasons will be considered at the discretion of the administrator or coach.
- Transportation exceptions must be prearranged with the sponsor. Students must ride with their parents, and parents must personally pick up the student.
- All students participating in or attending a school-sponsored activity, at home or away are under the authority of the sponsoring school official.
- All school policies of conduct are fully applicable to school sponsored activities, whether at home or elsewhere.
- All school-sponsored activities must have an approved adult driver in each vehicle transporting students.

- The administration reserves the right to prohibit/limit participation of any student in any activity.

### **AIDS PREVENTION EDUCATION**

All sixth, eighth, and tenth grade students receive AIDS Prevention Education in compliance with Oklahoma State Law. Materials have been approved by the State Department of Education and the Health Department. Materials are available for previewing by parents one month in advance of the presentation. If, after previewing the material, a parent does not wish to have his/her child receive the information, he/she should contact the principal.

### **All State Jackets**

The school will purchase a jacket for any student earning All-State recognition through the Oklahoma Coaches Association. Any student earning all-star by class recognition through any state organization will be responsible for buying his/her own jacket. If the booster club for that particular sport/activity is willing, they can purchase the jacket for the student. The school will purchase the statue for the trophy case for any athlete earning this type of recognition.

### **ASSEMBLIES**

A variety of educational and entertaining assemblies are presented at regular intervals. These assemblies provide students opportunities to demonstrate the courtesy, cooperation, and consideration that they have been taught at school and at home. Improper behavior could result in a student losing the privilege of attending assemblies.

### **ATTENDANCE/ABSENCE**

#### **Regular Attendance is a Must!**

No single factor will do more to aid you in your progress in school than regular attendance. The taxpayers of this community have provided educational facilities for you. It is your responsibility to make the most of the opportunity they have provided for you. This can only be accomplished by regular attendance.

All work, which is missed as a result of absences, regardless of reason, must be made up. The teacher will allow one day per missed day to make up all work.

Parents should call the school (HS 352-4377, MS 352-5929) when a student is absent. Notes are accepted on the day that a student returns to school, but the school reserves the right to check the validity of notes received from parents excusing an absence. Parents are notified of excessive absences.

A student may have a total of 10 absences per semester (ex: illness, mechanical problems, parents are late, family trips, etc). Students reporting to class fifteen (15) minutes or more after the beginning of the class will be classified as being absent.

A student who has 11 absences (or more) in a class will receive a failing grade for the class. If a student has 11 absences then he/she, along with his/her parents, may request a hearing with that student's teachers and the principal. At this time, the student and parent may explain why he/she has more than 10 absences. All

documentation (doctor’s notes) turned into the office throughout the semester will be presented to the teachers during the hearing. The teachers and principal will discuss the matter and render their decision to the student and parents. The teachers will vote on whether or not to allow the student credit for the semester (majority vote rules). The principal will only vote to break a tie.

This hearing must be held within 10 school days of the end of the semester for which credit was lost. If no such request is made, then the student will be given a failing grade for having more than 10 absences. An appeal may be made to the Board of Education.

Any parent or guardian who neglects or refuses to compel their child to attend school will be referred to the Grady County District Attorney per 70 O.S. 10-1-5.

Absences for school activities are recorded as “activity” absences from school. Students should get assignments from teachers before the activity and turn the assignments in when requested to do so by the teacher. Tests scheduled before the absence will be taken on the regular day. All students must comply with the school’s one-day rule.

Activity absences do not count toward this 10 day rule.

Every third tardy will count as an absence in an individual class.

Example: 3 tardies per class = 1 absence 6 tardies per class = 2 absences

Any students that has been suspended will not be considered for “perfect attendance” recognition at the end of the year

### **ATTENDANCE ELIGIBILITY**

A student must be present for all classes during a school day to be eligible to participate in a school-sponsored activity that day or night (exception is pre-approved by administration).

### **BAD WEATHER SCHEDULE**

Students and parents must read the rules. It is a privilege to ride the bus. The principal has the authority to forbid a student from riding the bus, either temporarily or permanently.

**CANADIAN VALLEY TECHNOLOGY CENTER**

Students attending C.V.T.C. are expected to abide by the rules and regulations of both Minco School and C.V.T.C. Suspension or expulsion at either school applies to both schools. You cannot be dismissed from one school for disciplinary reasons and attend the other school.

Transportation to C.V.T.C. is provided daily. The bus leaves from the north side of the old high school at a designated time. The official time is that of the clock in the principal's office.

Students with permission may drive to Vo-Tech. To obtain a driving permit see the Vo-Tech principal, get all of the necessary signatures and turn it in to the Vo-Tech. Minco High School has a permission form that must be completed before the student

will be allowed to drive or ride with another student. Students participating in the 85-minute block schedules at Vo-Tech must provide their own transportation back to MHS. While on your way to and from Vo-Tech, whether by bus or car, all school rules apply. You are expected to be at the Vo-Tech on time. Ample time is provided for students who drive to return on time. No excuses will be accepted for being tardy or absent when returning to Minco High School. Bus transportation is a reliable option; breakdowns, flat tires, etc., will not be viable excuses if you choose to drive. The bus is the safest, most economical and reliable means of transportation. We encourage all students to use the bus except in emergency situations.

When returning to Minco, students must immediately report back to the school. If a student or students are seen “cruising” around town at lunchtime, severe discipline measures will be given. Students are expected to arrive back at their home school within 5-10 minutes of the Vo-Tech bus. This could cause driving privileges to be revoked for the remainder of the semester or school year.

### **CHANGING/DROPPING CLASSES**

Students may change or drop a class only during the designated class change times and dates set forth by the Principal. Any exception to this policy is determined by the Principal, teacher, and student with parental consent.

### **CHECKING OUT OF SCHOOL**

Students must check out of school through the office. Students may only check out of school with the permission of their parent or guardian. Permission must be given in person or on the phone before the student may be approved to leave school. Students who leave without permission will be subject to disciplinary measures.

When students arrive at school in the morning, they are not allowed to leave and return before school starts.

### **CHEATING**

No credit should be given or expected for any work that is not a student’s own work. Cheating is as dishonest as stealing.

Cheating will not be tolerated, whether in class or out, during school time or out of school. Students will be considered to be cheating whether they are receiving the material or providing the material.

There are no minor cheating offenses.

## CLASSIFICATION OF STUDENTS

Freshman: Less than 6 units  
Junior: 11 ½ - 17 units

Sophomore: 6 ½ - 11 units  
Senior: 17 ½ - 24 units

## CLASSROOMS

Each student is expected to show proper respect to teachers, staff, classmates, and administrators.

Each teacher has specific guidelines within his or her own classroom that all students must obey. After the teacher has given a full explanation of such guidelines, it is the student's responsibility to ask about specific situations if there is a question as to expectations or limitations.

The classroom teacher is the primary disciplinarian in the school and has the full right to administer punishment. It is the position of the administration that any time a student is sent to the office as a result of a discipline problem, a serious problem has arisen.

A visit to the office is a signal to the administration that the teacher feels that the student has not responded to correction. In this situation, the student will be counseled and DISCIPLINED.

Students who choose NOT to maintain proper behavior in the classroom or at a school activity choose to place themselves in the hands of the administration.

Students are reminded to observe the following:

- Be respectful of all school furnishing, equipment, and materials. Defacing, marking, or placing gum on school property is considered vandalism.
- Be respectful of the privacy of materials in or on the teacher's desk and furniture.
- Do not violate the privacy of information, materials, and equipment belonging to the teacher.
- No candy, pop, or food is allowed in the classrooms.

## COLLEGE DAYS

Seniors are allowed two college days during the school year. The following criteria must be met to allow the student to visit a college:

1. Student must have taken the ACT.
2. Student must notify principal two days before visiting the college campus and pick up a College Day form.
3. The student is responsible for accumulating the appropriate signatures and information on the College Day form and returning it to the office.
4. Students should make every effort to visit colleges on weekends and days off during the year.
5. No college days will be approved during the last two weeks of a semester.
6. All business should be taken care of on the college day.

## CONCURRENT ENROLLMENT

Minco High School students in the 11th and 12th grades may concurrently enroll at a college or university in the Oklahoma State System of Higher Education if the student meets the required criteria.

The following rules apply to concurrent enrollment:

1. Students must qualify to take English or Math in order to enroll in concurrent enrollment.
2. Students can only enroll in General Education courses which include, but are not limited to: English Comp I, English Comp II, College Algebra, United States Government, United States History, Psychology, Sociology, and Speech. Any exceptions must be approved by the principal.
3. Students are not allowed to drop classes after the first three weeks of the high school semester.
4. All on-line classes must be pre-approved by the administration in advance of enrollment.
5. Parents must sign a letter of permission acknowledging the responsibilities of the concurrently enrolled student.

Information about concurrent enrollment may be received from the Counselor. Concurrent enrollment information is given to each student of Minco High School each school year.

College English Composition I and College English Composition II from an Oklahoma college or university may substitute as credit toward high school graduation for English IV first and second semesters, respectively. College Algebra, United States Government, and United States History from an Oklahoma college or university will count towards the graduation requirements.

### **DANGEROUS WEAPONS**

The Minco Public Schools is committed to taking such steps as are reasonably necessary in an effort to provide students and employees with a safe educational environment. It is therefore the policy of the Minco Public Schools to absolutely prohibit the use and/or possession of dangerous weapons on school premises or at school functions. This policy on dangerous weapons is applicable to all students without regard to age or grade.

#### **A. Guns and Projectile Devices:**

The use, display or possession of any kind of gun, weapon or device capable of discharging or throwing projectiles, whether loaded or unloaded, on the campus, parking lots, premises or property of the Minco Public Schools or during school sponsored activities, functions or events shall result in the immediate suspension of all students involved for a period of time which shall be not less than one calendar year (P.L. 103-227); provided, however, that the superintendent of schools or designee may modify the suspension requirement on a case-by-case basis. If modified, the term of the suspension

shall be less than the balance of the semester in which the infraction occurred.

NOTE: The term "gun or device capable of discharging or throwing projectiles" shall include but not be limited to (a) rifles, pistols or shotguns of any caliber and/or (b) B-B guns or air pistols and/or (c) potato throwers, dart guns or blow guns and/or (d) any other device with the purpose of which is to throw, discharge or fire objects, bullets, or shells.

For the purpose of this policy, any student who aids, knowingly accompanies, assists, or participates with another student who uses, displays or possesses a gun or device capable of discharging or throwing projectiles in violation of this policy, shall also be subject to suspension for not less than one calendar year.

### **B. Facsimiles**

Any student who has a facsimile of a gun, including cap, toy, or water gun or any other item resembling a gun in his/her possession at school, or at any school-sponsored event, will be disciplined as follows:

1. Parent/guardian will be notified.
2. The student may be suspended.
3. If harm or threat should occur, the student will be dealt with the same as having a gun.

### **C. Knives, Weapons, or Other Dangerous Devices**

The use, or possession, of any kind of knife (at 2 ½" or more in length), weapon or device capable of stabbing, cutting, injuring, maiming or disfiguring other persons OR damaging property, on the campus, parking lots, premises or property of the Minco Public Schools or during school sponsored activities, functions or events may result in the following disciplinary action against all students involved:

1. **WARNING:** A warning will be given when the knife, weapon or device (a) has not been displayed or used in a threatening manner, (b) has not caused any harm, injury, destruction or damage, (c) is a knife or device commonly used or carried by persons for use other than as a weapon, (d) no verbal threats to use such knife, weapon or device in an inappropriate manner have preceded the possession, and (e) the student has no prior school disciplinary record of physical violence, aggression, injury, damage or threats.

NOTE: This warning provision shall not apply to persons using, displaying or possessing guns or projectile devices, or to any student who aids, knowingly accompanies, assists, or participates with another student who uses, displays or possesses a gun or projectile device, because such violations carry an automatic long-term suspension of not less than one calendar year.

2. **SUSPENSION** for not less than ten (10) school days and not more than two (2) semesters shall occur under any of the following conditions: (a) if the student has previously been warned not to bring such knife, weapon or device on school property or to school events; (b) when the knife, weapon or device is one not commonly carried and is used, intended or designated for the purposes of causing physical

injury or property damage; or (c) when the particular circumstances surrounding the use or possession of the knife, weapon or device reflect that such possession posed a danger to persons or property.

NOTE: The short-term provision shall not apply to persons using, displaying or possessing guns or projectile devices, or to any student who aids, knowingly accompanies, assists, or participates with another student who uses, displays or possesses a gun or projectile device, because such violations carry an automatic long-term suspension of not less than one calendar year.

The term "knife, weapon or device" shall include but not be limited to (1) knives of all sizes and types, (2) brass knuckles, chains, clubs, and sharp instruments, (3) explosives, bombs, combustible fluids or materials, firecrackers, poisons, chemicals or spray paint and/or (4) knives, weapons or devices, the use, threat or purpose of which is to cause personal injury or property damage.

For the purpose of this policy, any student who aids, knowingly accompanies, assists or participates with another student who uses, displays or possesses a knife, weapon or device capable of causing personal injury or property damage in violation of this policy, shall also be subject to the same disciplinary action as the student who actually uses, displays, possesses or threatens to use such knife, weapon or device.

**Detention is a disciplinary action.**

1. If you are required to serve detention, the time limit is 30 minutes.
2. You must bring paper and pencil when you enter the classroom.
3. You are not allowed to talk to other students in detention.
4. The teacher on detention duty assigns the work to be written during the time you are required to be there. If you have a question about the work assigned, you must raise your hand.

### **DRESS CODE**

All students are expected to adhere to common practices of *modesty*, cleanliness and neatness; to dress in a respectful manner within the acceptable standards of the community and in such a manner as to contribute to the academic atmosphere, not detract from it. Students who fail to comply with this dress code may be sent home and be subject to disciplinary actions. A few dress code violations are listed, but the list is in no way conclusive.

1. Students are prohibited from wearing attire that carries connotations of immorality, vulgarity, obscenity, nudity, sexual suggestiveness, gang, secret societies or fraternities either at school or at school functions. In addition, student attire shall not display or promote alcohol, tobacco, or drugs
2. ANY OTHER CONSIDERATIONS WILL BE DETERMINED BY THE INDIVIDUAL SCHOOL ADMINISTRATORS.
3. Clarification regarding apparel should be obtained PRIOR TO WEARING IT TO SCHOOL; this can be obtained from the school administration. Students in violation of this policy will be subject to disciplinary action as determined by the school's administration.
4. **Teachers** are charged with the responsibility of enforcing student dress code in their classes as well as on campus. Administrators and other school personnel share the same responsibility. Teachers shall follow building procedure for discipline referral regarding dress code violations.
5. Shoes must be worn. House slippers are prohibited.
6. Caps, hats, or other head coverings may not be worn in the building.
7. The hemlines of shorts and skirts must reach the tips of the fingers when arms are held at sides. Wearing tights under skirts or dresses does not change this rule. Also, jeans with holes above where the tips of the fingers reach when arms are held at the sides are not allowed.
8. Shirts/tops must touch the waist of pants/skirts at all times. **Low-cut tops or blouses are inappropriate.** Shirts that are ripped down the side and expose any part of the torso are considered inappropriate. Undergarments should never be exposed.

If you arrive at school dressed inappropriately, you will be kept out of classes until you are dressed appropriately and

ALL CLASS TIME YOU MISS WILL COUNT AS AN ABSENCE OR TARDY.

### **DRIVER'S LICENSE VERIFICATION**

The Department of Public Safety requires all high school age applicants to obtain from their school a verification of attendance. These can be picked up in the Attendance office. You must allow twenty-four hours notice for processing. If you are testing in the summer, we recommend that you get the school attendance verification before the end of the school year.

Students must pass the 8th grade Criterion Reference Reading test or an alternate reading test in order to obtain the needed verification forms.

### **EARLY RELEASE**

Any senior that is on track to graduate and can fulfill all of the requirements for their diploma in six hours, will be allowed to not have a last hour class. Any student participating in early release needs to leave campus promptly after the end of sixth hour.

### **ELECTRONIC DEVICES and CELL PHONES**

Electronic devices such as CD players, iPods, radios, laser pointers of any type, etc. are prohibited at school.

**Cell phones and electronic messaging devices must be turned off and may not be used during the school day unless a teacher grants specific permission or an emergency occurs. This includes tablets and readers.**

Prior approval to have any of these devices turned on during the school day must be obtained by the student through the building principal. Violation of the electronic device or the cell phone rule will result in the following disciplinary actions:

1st offense – Morning/Lunch/Afternoon Detention, and the device will be held in the office until the end of the day.

Repeat offenders may be subject to any of the following or any combination of the following:

- Confiscation of the cell phone until a parent picks it up

### **ELIGIBILITY**

Students must be passing all classes to be eligible for any school extracurricular activity. Students have one week of probation to bring the grade up to passing.

If a student is failing in one subject and brings it up the next week but is failing in another class, he/she is ineligible. Parents will be notified by mail during the

probationary week. All students who have grades of “D” or “F” will be notified each week. Minco School eligibility follows OSSAA regulations. Scholastic eligibility will be checked after three weeks of a semester.

## **EMERGENCY PROCEDURES**

### **Tornado Emergency**

A tornado alert is three long warning bells. Teachers direct students to shelter locations. Teachers should take their grade books when evacuating.

### **Fire Emergency**

If a fire starts in any part of the school plant, the school is alerted by a fire alarm or three short bells or an announcement over the public address system. Teachers should take their grade books when evacuating.

A copy of the Emergency Preparedness Plan will be distributed to Emergency Management of Grady County. Emergency preparedness plans are on file in the offices. Appropriate Tornado and Fire drills will be provided.

## **FAILURE OR REFUSAL TO SERVE ASSIGNED DISCIPLINE**

If the student fails to serve the discipline due to circumstances genuinely beyond the student’s control, the student must make up the discipline. If the student “forgets” to serve the discipline, the discipline is doubled. If the student “refuses” to serve the discipline, the student will receive out-of-school placement.

3<sup>rd</sup> Offense                      10 Days OSS

4<sup>th</sup> Offense                      Alternative school

## **GRADING SCALE**

Grades in each class are figured on the basis of a percentage of the total possible points.

A .... 90-100                      C ..... 70-79

B .... 80-89                      D ..... 60-69

F.....59 and below

Students who have incomplete grades will be given an "I" until the work has been completed. Teachers determine the length of time the student has to make up the work, according to school policy, but not to exceed two weeks after the grading period. Students are allowed one day for each day missed.

Honor Rolls of the Minco School students are figured each semester. Students must have a grade of "B" or above in all subjects in order for their names to appear on the Principal's Honor Roll for each grading period. Students must maintain an "A" in all subjects to appear on the Superintendent's Honor Roll.

When computing the final semester grade, the semester test is not assessed for more than 20% of the final grade.

Honors Courses are indicated by a "W" on the student's transcript. Honors classes are designated when enrolling.

The following classes will be considered as "Honors" classes and will have a weighted grading scale: Calculus, Trigonometry, Algebra III, Honors English I, II, III, IV, Physics, Chemistry, and Advanced Placement Classes. All college level coursework will be considered "Honors". These courses include, but are not limited to, English Comp I, English Comp II, and College Algebra.

Grade points for all Honors Classes appear as follows: A=5.0, B=4.0, C=3.0, D=2.0 and F=0.0.

Students must purchase their own graduation announcements, caps, and gowns. The Senior Class must provide graduation stage decorations. Graduation ceremonies are under the direction of the Senior Class Sponsor subject to administrative approval. Also, seniors must attend the following events during the last week in order to participate in the graduation ceremony. Exceptions must be approved by the administration.

**HARASSMENT, INTIMIDATION AND BULLYING**

“Harassment, intimidation and bullying,” as defined by Oklahoma Statutes at 70 O.S .§ 24-100.2, means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another student, damage another student’s property, place another student in reasonable fear of harm to the student’s person or damage to the student’s property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school’s educational mission or the education of any student.

- “At school” means on school grounds, in school vehicles, at designated school bus stops, at school-sponsored activities, or at school-sanctioned events.

Harassment, intimidation, and bullying are specifically prohibited by the Minco School District. Students violating the prohibitions set forth in this policy shall be subject to any and all disciplinary measures the district deems appropriate.

Prevention of and education about harassment, intimidation, and bullying behavior by students shall be addressed by the district in its Safe School Committee, pursuant to 70 O.S. § 24-100.

### **HAZING POLICY**

The Minco Public School does not allow hazing of students in conjunction with the operation of classes, activities, and organizations. Should this occur, the termination of the organization or activity is a possibility. Disciplinary action will be taken against students involved in such action. School employees shall not allow any actions which shall be construed as physically dangerous or emotionally damaging to any student. Organization or activity participation shall not be subject to any initiations that include hazing of students.

### **ILLNESS/INJURY**

A student who is injured or becomes ill during school is to report to the office. Office personnel will provide assistance or contact the parent/guardian or designated person if the student is too ill to stay in school.

If a student needs special care due to acute or chronic medical conditions, the necessary information must be given to the office to assure proper care.

### **LEAVING SCHOOL WITHOUT PERMISSION**

To insure that our students are safe and proper supervision is provided, the following rules will be implemented:

1<sup>st</sup> Offense.....1 Day of ISD

2<sup>nd</sup> Offense.....3 Days of ISD

After 2<sup>nd</sup> offense, parent or guardian must have conference with principal before student is allowed to re-enter school.

3<sup>rd</sup> Offense.....3 Days OSS

4<sup>th</sup> Offense.....5 Days OSS

5<sup>th</sup> Offense.....10 Days OSS

6<sup>th</sup> Offense.....Rest of semester OSS

### **LOCKERS, LOCKS AND PERSONAL PROPERTY**

Lockers will be assigned during enrollment. The numbers will be written down in the office. No lockers will be changed without administrative approval. Good care should be taken of the lockers. Locker checks may be held at various times during the year to retrieve lost articles such as library or textbooks. Lockers are the property of Minco Public Schools and are subject to locker checks. Students should not expect any privacy rights when placing items in the lockers.

No personal locks will be allowed on lockers unless a key or combination is given to the office secretary. Students are encouraged to keep locks locked and not to share combinations with other students. The student is responsible for stolen school property from his/her locker. Minco Schools assumes no responsibility for personal property which is stolen, lost, or damaged.

### **MOMENT OF SILENCE**

It shall be the policy of this Minco Board of Education that no sectarian or religious doctrine shall be taught or inculcated into the curriculum or activities of the school. However, those students who wish to do so may participate in voluntary prayer so long as it is during noninstructional time and does not interfere with the rights of other students.

Each school site within the district shall observe one minute of silence each day for the purpose of allowing each student to meditate, pray, or engage in any other silent activity that does not interfere with, distract, or impede other students in the exercise of their choice. All school personnel are to afford these options to all students who will individually make the selection as to which of these behaviors they will engage in during the moment of silence. These options will also be included in the student handbooks.

The minute of silence will be held at the start of the school day.

If the district or a school employee is sued for providing a moment of silence to students, the district must notify the Attorney General within five (5) days. The Attorney General will provide legal representation to the district or employee named as a defendant in an action related to this statutory requirement.

### **NATIONAL HONOR SOCIETY**

Membership is granted to students whose applications have been approved by committee. These students must display exemplary character, service, and leadership, as well as scholarship. Complete details are available in the office of the principal. Deadline for applying will be announced by the sponsor.

### **OFFICE AIDES/TEACHER AIDES**

To be an office aide a student must be a senior with a current cumulative GPA of 2.5 or better. Attitude, behavior and attendance will be considered when deciding if a student can be an office aide/teacher aide. Office /teachers aide is a zero credit class.

### **OKLAHOMA HONOR SOCIETY**

Membership is based on work during the first semester of the current year and second semester of the preceding year. The standing of students enrolled in the first year at the high school will be based on the work done during the first semester of the current year. Ten percent of the high school enrollment will be eligible for membership. Ten percent of the student body making the highest average marks in the school will be nominated.

**OPEN/CLOSED LUNCH CAMPUS POLICY**

All high school students are allowed to go off campus for lunch, but they are required to remain within the city limits.

Those students found in violation of this policy will be subject to disciplinary measures which may include the loss of off-campus lunch privileges. The principal shall also have the authority to close the campus for any or all students during the lunch period should he/she feel that any student or students may be placing themselves in a dangerous or harmful situation during the lunch period.

As a discipline tool, the principal reserves the right to close the campus to individual students based on behavior, academic progress, and absenteeism.

**PARENT-TEACHER RELATIONSHIP**

Parents and guardians are asked to follow these guidelines for expressing concern over a school matter.

If the problem involves routine procedures such as homework, class assignments, classroom behavior, or student-to-student problems, the parent is asked to contact the teacher first. The best way to do this is through a phone call to the school where the message can be left for the teacher to return the call. For a variety of reasons, parents should not attempt to bring up difficult or serious matters in front of other students while the teacher is on duty during the regular day.

If the problem is more serious, the parent or guardian should inform the principal in writing or with a phone call. Only signed notes or callers who identify themselves will be taken seriously. Due to school responsibilities, the principal may not be available immediately; therefore, patience in setting appointments or expecting a return phone call is requested. Since concern for your child is important, the school will make every effort to accommodate you and your concerns.

All staff members at Minco High School promise prompt attention to problems, privacy in discussing matters, professional courtesy and respect when problems are presented, and a sincere effort to resolve problems in a dignified manner. That is, we promise to approach problems and misunderstandings in a manner that expresses genuine concern for the welfare of your child.

**PROFANITY TO AND/OR THREATENING A SCHOOL EMPLOYEE**

1<sup>st</sup> Offense .....3 Days OSS

2<sup>nd</sup> Offense .....5 Days OSS

3<sup>rd</sup> Offense.....10 Days OSS

4<sup>th</sup> Offense.....Semester OSS

5<sup>th</sup> Offense.....Semester and Next Semester OSS

8. Failure to demonstrate proficiency will not be noted on the transcript.

### **PROM**

The Junior/Senior prom will be held near the end of the school year. Attendance at the Prom is limited to Junior and Senior class members and their dates. Dates who are not members of the Junior or Senior classes must have prior approval of the principal. It is the responsibility of those students to request the approval. Only those who are at least in the 10th grade but under the age of 21 will be allowed to attend the prom. Anyone who is not a Minco High School Junior or Senior will pay \$20.00 to attend. Students who are not members of the Junior or Senior class, or are not an invited guest of the Junior or Senior class, will not be allowed to remain in attendance and will be asked to leave the premises. It is the responsibility of the junior class members to decorate for the prom.

- 2<sup>nd</sup> Offense- Morning/lunch/afternoon detention
- 3<sup>rd</sup> Offense and all subsequent offenses- Removal from the event if outside the school day, and ISD for offenses during the school day.

### **SATURDAY SCHOOL**

Saturday school is for those students with undesirable patterns of attendance, tardiness, or other disciplinary problems. Saturday school will begin at 7:30 and end

at 11:30. Students arriving late will not be allowed in and will be considered absent. Each student is to have sufficient materials and books to study for the session; if not, work will be provided by the teacher on duty. Failure to appear for Saturday detention assigned will result in further disciplinary action which may include out-of-school placement. The only exceptions for attendance at Saturday school must be pre-approved by the principal after a discussion with a parent. Saturday school can also be used to make up absences. Two days of Saturday school would eliminate one day of absences.

Rules for Saturday school are as follows:

1. All students must be signed in and seated in the detention room by 7:30.
2. All students must bring homework that is sufficient to last the session. The student is responsible for bringing all necessary materials for the completion of the homework. The detention teacher will give an assignment to any student not working through the detention period.
3. Students must stay in their seats during the entire period. Talking, unnecessary noises, sleeping, eating food, etc. will not be allowed. Breaks will be taken individually.
4. Students who do not follow the rules of detention will be told to leave the school premises. The time they have served during that detention period will not count and the student may be subject to further disciplinary action by the principal. Students that disrupt detention hall or fail to complete detention may be subject to out-of-school placement.
5. Saturday school detention will end at 11:30.
6. All electronic devices are prohibited. Cell phones must be checked in with the teacher at the beginning of the session.

### **SEARCH OF STUDENTS**

The Board of Education believes all students should be free from unreasonable search and seizure by school officials. It is, however, the policy of the board that the superintendent and principal have the authority to search a student or a student's property when there is reasonable suspicion for such searches. No reason is necessary for school lockers or other property to be opened and examined. Students have no reasonable expectation of privacy rights toward school lockers, desks, or other school property.

### **SEASON PASSES**

Season passes may be purchased in the principal's office at any time during the year. This pass will include all home football and basketball games including the Bulldog Classic. It does not include county tournaments or playoff games.

Student Pass .....	\$50
Adult Pass .....	\$100
Senior Citizen (62 and over).....	Free

### **SEMESTER EXAM EXEMPTION POLICY**

Students who fulfill the following attendance requirements and earn the following grade average (per class) may be exempt from the semester tests. Students that skip semester tests will be given an “incomplete”, and be allowed one week to make up the test before receiving no credit for the course. Any student that has been suspended, will not be allowed to be exempt from any semester exams for the semester that the suspension took place.

Grade Average	Maximum Allowable Absences
A (90-100)	3 absences
B (80-89)	2 absences
C (70-79)	1 absence

Each 3<sup>rd</sup> tardy will count as an absence. An exempted student has the option to take semesters exams.

### **SEXUAL HARASSMENT**

Sexual harassment is any type of verbal/physical abuse of a sexual nature. Suggestive comments, unwanted touching, obscene hand/body gestures, suggestive notes, etc., would be considered sexual harassment. Since this covers such a wide range/degree of offenses, the punishment may include any type of action imposed under the School District’s Discipline Code. If you experience sexual harassment, report this immediately to the building principal.

### **STATEMENT OF RIGHTS**

Parents and eligible students have the following rights under the *Family Educational Rights and Privacy Act* and this Policy:

1. The right to inspect and review the student’s educational record.
2. The right to exercise limited control over other people’s access to the student’s educational records.
3. The right to seek to correct the student’s educational record (in a hearing, if necessary).
4. The right to report violations of the FERPA to the Department of Health, Education, and Welfare.
5. The right to be informed about FERPA rights.
6. Copies of the FERPA Plan are located in the office of the superintendent and the office of each principal. You may contact one of these offices if you desire a copy.

All rights and protections given parents under FERPA and this policy end when the students reach age 18 or enroll in a post secondary school. The students then become "eligible students."

### **STUDENT DIRECTORY INFORMATION**

This school district maintains and releases "directory information" without the parent's prior written consent, unless the parent – or student if over 18 – informs the

district that any or all of the following information should not be released without prior consent.

The following information is designated as "directory information", but is not limited to:

- student's name, address, telephone listing, and date and place of birth;
- parent or lawful custodian's name, address, and telephone listing;
- major field of study and grade level classification (example: elementary, seventh grade, sophomore);
- student's participation in officially recognized activities and sports;
- weight and height of members of athletic teams;
- dates of attendance, dates of enrollment, withdrawal, reentry;
- diplomas, certificates, awards, and honors received;
- most recent previous educational agency or institution attended by the student.

Each year, the school district gives public notice of the categories of information which it considers directory information regarding students in the district. The school will allow ten days from date of such public notice for parents to inform the superintendent, in writing, of specific directory information pertaining to such student that should not be released without prior consent of the parent, legal custodian, or the student, if over the age of eighteen. If no objection is received within ten days of the official notification, the information will be classified as directory information until the beginning of the next school year.

**BEHAVIOR OR CONDUCT WHICH MAY RESULT IN SUSPENSION.**

Students who are guilty of any of the following acts may be suspended out-of-school by the administration of the School or the District for:

- a. violation of a school regulation;
- b. immorality;
- c. adjudication as a delinquent for an offense that is not a violent offense. For the purposes of this section, "Violent offense: shall include those offenses listed as the exceptions to the term "nonviolent offenses: as specified in section 571 of Title 57 of the Oklahoma Statutes. "Violent offense" shall include the offense of assault with a dangerous weapon but shall not include the offense of assault:
- d. Possession of an intoxicating beverage, low-point beer, as defined by Section 163.2 of Title 37 of the Oklahoma Statutes, wireless telecommunication device, or missing or stolen property if the property is reasonably suspected to have been taken from a student, a school employee, or the school during school activities; and
- e. possession of a dangerous weapon or a controlled dangerous substance, as defined in the Uniform Controlled Dangerous Substances Act. Possession of a firearm shall result in out-of-school suspension as provided in the District's policy related to firearms.

**OUT-OF-SCHOOL SUSPENSION**

An out-of-school suspension shall be long-term or short-term. A long-term out-of-school suspension shall be an out-of-school suspension in excess of ten (10) days. A short-term out-of-school suspension shall be a period of ten (10) or fewer school days.

**OUT-OF-SCHOOL SUSPENSION  
IN EXCESS OF TEN (10) SCHOOL DAYS**

Right of Appeal:

A parent or the student may appeal the out-of-school suspension decision of the principal to the Superintendent of Schools and the Board of Education.

Method of Appeal to the Superintendent of Schools or His/Her Designee:

1. An appeal can be presented by letter to the Superintendent of Schools.
2. If no appeal is received within five (5) calendar days after the principal's decision is received by the parent or student, the principal's out-of-school suspension decision will be final.

### **OUT-OF-SCHOOL SUSPENSION OF TEN (10) OR FEWER SCHOOL DAYS**

The Board of Education recognizes that a student's out-of-school suspensions of ten (10) or fewer school days (referred to as "short-term out-of-school suspensions") involves less stigma and requires less formal due process procedures than are required for out-of-school suspensions of greater than ten (10) school days (referred to as long-term out-of-school suspensions). Appellate rights in such instances are satisfied in an effective and expedient manner by giving the student the right to appeal the out-of-school suspension decision to a committee composed of administrators and/or teachers.

#### **Right of Appeal:**

A student who has been suspended out of school for a period of ten (10) or fewer school days is entitled to all pre-appeal rights presently accorded by School District policy to students who have been suspended out of school for periods of greater than ten (10) school days. A student who has been given short-term out-of-school suspension and that student's parent have the right to appeal an out-of-school suspension decision to a committee composed of administrators and/or teachers. A student with a short-term out-of-school suspension and his/her parent shall be informed by the principal of this right and the method of submitting an appeal.

#### **Method of Appeal to a Committee:**

1. An appeal to a committee can be requested by a letter to the school principal, which must be received within five (5) days after the principal's out-of-school suspension decision is received by the student, or his/her parent. The out-of-school decision will become final and nonappealable if a request is not submitted timely.

### **STUDENT PRIVILEGES WHILE UNDER OUT-OF-SCHOOL SUSPENSION OR UNDER OTHER DISCIPLINARY OR CORRECTIONAL MEASURES**

Participation and attendance at extracurricular activities of the school is a privilege and not a right. Accordingly, when a student's behavior results in a determination by the principal of an out-of-school suspension, the student immediately, notwithstanding the filing of an appeal, forfeits the privilege of participating in or attending all extracurricular activities of the school. In addition, when a principal determines to impose alternative in-school disciplinary or other correctional measures against a student, then the student will not be permitted to participate in any extracurricular activities offered by the school during the term of the discipline unless, in the sole judgment of the principal, such participation is appropriate given the nature of the offense committed by the student.

"Extracurricular activities" includes, but is not limited to, all school sponsored teams, clubs, organizations, ceremonies, student government, band and all other school sponsored activities and organizations.

Students may not come on school property while under suspension.

## **CORPORAL PUNISHMENT**

In certain cases, when deemed necessary by the building principal, corporal punishment may be enforced. The following procedures will apply before corporal punishment is administered:

- Note from parent and/or telephone conversation granting permission or student to receive corporal punishment.
- The building principal is the only school official who will administer corporal punishment.
- The building principal will use another member of the school faculty as a witness.
- No more than 3 swats will be administered at any one time.
- The student and/or parent will have the options to choose another form of punishment if desired.

These examples are not intended to be exhaustive and the exclusion or omission of unacceptable behavior is not an endorsement or acceptance of such behavior. When, in the judgment of a teacher or administrator, a student is involved or has been involved in unacceptable behavior, appropriate remedial or corrective action will be taken.

## **STUDENT DRUG TESTING PROGRAM/EXTRACURRICULAR ACTIVITIES**

The Minco School District is concerned with the total well-being of its students, including those who participate in extracurricular activities. While the misuse of drugs is a potential problem for all students, unique pressures and risks exist for students participating in extracurricular activities.

It is the policy of this district that no student may participate in extracurricular activities if the student misuses drugs, alcohol or other mood altering substances.

The Board of Education, in an effort to protect the health and safety of its students from illegal and/or performance enhancing drug use and abuse, thereby setting an example for all other students of the Minco Public School District, has adopted the following policy for drug testing of students participating in extracurricular activities:

### **Purpose and Intent:**

It is the desire of the board of education, administration, and staff that every student in the Minco Public School District refrains from using or possessing illegal drugs. The administration and board of education realize that their power to restrict the possession or use of illegal drugs is limited. The sanctions of this policy relate solely to limiting the opportunity of any student determined to be in violation of this policy to participate in extracurricular activities. This policy is intended to complement all other policies, rules, and regulations of the Minco Public School District regarding possession or use of illegal drugs.

Participation in school-sponsored extracurricular activities such as interscholastic athletics at the Minco Public School District is a privilege. Students who participate in extracurricular activities are respected by the student body and are expected to hold themselves as good examples of conduct, sportsmanship, and training. Accordingly, students in extracurricular activities carry a responsibility to themselves, their fellow students, their parents, and their school to set the highest

possible examples of conduct, which includes avoiding the use or possession of illegal drugs. Additionally, this school district is contracted to follow the rules and regulations of the OSSAA whose rules specifically state: A student under a discipline plan or whose conduct or character outside the school is such as to reflect discredit upon the school shall be ineligible until reinstated.

The purpose of this policy is to prevent illegal drug use, to educate students as to the serious physical, mental, and emotional harm caused by illegal drug use; to alert students with possible substance abuse problems to the potential harms of illegal drug use; to help students get off drugs; to prevent injury, illness, and harm as a result of illegal drug use, and to strive within this school district for an environment free of illegal drug use and abuse. This policy is not intended to be disciplinary or punitive in nature. The sanctions of this policy relate solely to limiting the opportunity of any student found to be in violation of the policy to participate in any extracurricular activities. There will be no academic sanction for violation of this policy.

Illegal drug use of any kind is incompatible with participation in any extracurricular activities on behalf of the school district. For the safety, health, and well-being of the students of the district, this policy has been adopted for use by all participant students in grade 9-12.

**Confidentiality:**

Confidentiality will be strictly observed. Disclosure of test results to parents, administrative staff, and coaches or sponsors will be made in a normally accepted procedure and will not be a breach of confidentiality.

**Failure or Refusal to Take Directed Test:**

If a student fails or refuses to submit to a drug/alcohol test, the student will not be allowed to participate in extracurricular activities.

**Testing:**

A physical examination signed by a parent/guardian is required before a student may participate on a school district athletic team. Student participants in extracurricular activities shall be provided with a copy of this policy and an extracurricular activities student drug testing program consent form which must be read, signed, and dated, by the student, parent or custodial guardian and coach/sponsor before a participant student shall be eligible to practice in any extracurricular activity. The consent shall provide a urine sample (A) as chosen by the random selection basis; and (B) at any time requested based on reasonable suspicion to be tested for illegal or performance-enhancing drugs. No student shall be allowed to practice or participate in any extracurricular activity unless the student has returned the properly signed consent form.

Students involved in extracurricular activities may be tested for (see Exhibit A). Testing will be accomplished by the analysis of urine specimens, or other recognized analytical procedure, obtained from the student at the direction of the superintendent or designee. The testing procedures will ensure that the specimen being analyzed is identified with the appropriate student and that the purity of the

sample is maintained. All chemical analysis will be conducted by a professional laboratory selected by the superintendent or designee.

Collections of specimens for drug testing will be accomplished in an appropriate manner by trained professionals in a professional and controlled environment.

Random sampling will be conducted periodically throughout the school with 10% of the pool being sampled in a given sampling period. Also, the testing of a student may be conducted under circumstances including, but not limited to, the following:

1. Observe use of alcohol or illegal drugs.
2. Apparent physical state of impairment.
3. Incoherent behavior.
4. Marked changes in personal behaviors that are otherwise unexplained.
5. Actions that provide reasonable cause to the student and may present danger to themselves or others.
6. Documented report of substance abuse, provided by a reliable and credible source.

**Procedure of Testing:**

All Athletics, Vocational Agriculture, Vocal Music, History Day, 4-H, Band, Academic Team, Cheerleading, FCCLA, and FBLA participants shall be required to provide a urine sample for drug use testing for illegal drugs and/or performance enhancing drugs. Extracurricular participants who move into the district after the school year begins will be placed in the pool for participation.

Drug use testing for extracurricular participants will also be chosen at various times during the school year. Basis of selection will be from a list of all extracurricular participants in off-season or in-season activities.

In addition to the drug test required above, any extracurricular participant may be required to submit to a drug use test for illegal drugs or performance-enhancing drugs or the metabolites thereof at any time upon reasonable suspicion by the athletic director, principal, sponsor, or coach of the student.

Any drug use test required by the school district under the terms of this policy will be administered by a professional laboratory chosen by the school district that uses scientifically validated toxicological methods. The professional laboratory shall be required to have detailed, written specifications to assure chain of custody of the specimens, proper laboratory control and scientific testing.

All aspects of the drug use testing program, including the taking of specimens, will be conducted to safeguard the personal and privacy rights of students to a maximum degree possible. The test specimen shall be obtained in a manner designed to minimize intrusiveness of the procedure.

In particular, the specimen must be collected in a restroom or other private facility with an enclosed stall or stalls. The athletic director/sponsor shall designate a coach or other school employee of the same sex as the student to accompany the student to a restroom or other private facility. The monitor shall not observe the student while the specimen is being produced, but the monitor shall be present outside the stall to listen for the normal sounds of urination in order to guard against tampered specimens and to ensure an accurate chain of custody. If at any time

during the testing procedure the monitor has reason to believe or suspect that a student is tampering with the specimen, the monitor may stop the procedure and inform the athletic director/sponsor who will then determine if a new sample should be obtained.

Urine samples will be immediately sealed and marked with identification of the donor, the date, time and place where the collection was made and the name of the person monitoring the collection. A written record will be maintained reflecting the names of any persons to whom the sample is provided; the date and time of the transfer of the sample from one person to the other, and the name of the person who provides the sample to the testing laboratory. The same chain of custody will be followed when the results are received from the testing laboratory.

The student who tests positive, and the student's parents, if said student is under the age of 18 years, shall be notified immediately by the laboratory doing the testing. The laboratory will inquire about possible explanation of positive tests. If the tests are still positive after the inquiry, then the school officials will be notified. Students' parents will meet with the activity sponsor, the principal, and the counselor. At that time the student will be on probation. With assistance from the school counselor the student will be asked to get professional counseling at the student's expense. After two weeks the student will be asked to take another drug test at the student's expense by the same testing laboratory. If the results are negative the student may resume participation in extracurricular activities. If the results are positive for a second time the student will be suspended from extracurricular activities for 90 school days. If students refuse second test a 90-day suspension from extracurricular activities will be imposed.

The student and parents, if applicable, shall be informed fully of the circumstances of the test, given access to the test results, and offered an opportunity to dispute the test results, including the right to have the specimen tested at the student's cost and with the student's chosen NIDA approved tester.

Records of drug tests shall be maintained in a locked file in the principal's office and shall not become a part of the student's record.

If the substance identified is shown to be prescription medicine, the student's doctor may be required to give written notice that participation in extracurricular activities while taking the medicine will not be harmful to the student or others.

A student who has been suspended from extracurricular activities because of positive test results may appeal the suspension.

A student or student's parent(s) shall notify the superintendent within five days following the suspension of their intent to appeal the suspension.

Upon receiving notice of a student's or parent(s)' intent to appeal, the superintendent shall advise the president of the board of education. Once the appeal is filed, the appeal shall be heard within ten school days.

During the hearing of the appeal, the student may be represented by legal counsel or other adult representative; examine witnesses on his/her own behalf; cross-examine opposing witnesses; and offer other evidence on the student's behalf including his/her own testimony.

The board of education shall uphold the suspension, modify the terms of the suspension, or overrule the suspension. The student and the student's parent(s) shall be notified within five school days of a decision.

If the board rules in favor of the student, the student shall be immediately returned to full participation in all school activities. If the board upholds the suspension or if the student does not request a hearing, the student shall be excluded from participation in extracurricular activities for 90 school days. In order to be reinstated following a positive test, the student will fulfill the 90 day suspension, show proof of successful completion of an approved counseling program, and a negative test performed by the district-designated tester shall be required at the student's expense. The safeguards offered by this policy for the first test also apply to any readmission test or subsequent tests.

A list of approved counseling programs will be on file in the office of the Superintendent and/or High School Principal.

We have selected an insurance company that provides student accident insurance to approximately 400 school districts in Oklahoma.

## **SUSPENSIONS**

Parents have the right to appeal the decision to suspend to a suspension committee. Parents must submit a written request to the building principal within five days of the student's suspension.

At its discretion a school district may provide an education plan for students suspended out-of-school for five days or less. (Section 488.2 School Laws of Oklahoma 2000)

The following provisions shall apply to students who are suspended out-of-school for more than five days. Upon out-of-school suspension, the parent, or guardian of a student suspended out-of-school pursuant to the provisions of this subsection shall be responsible for the provision of a supervised, structured environment in which the parent or guardian shall place the student and bear responsibility for monitoring the student's educational progress until the student is readmitted to school. The school administration shall provide the student with an educational plan designed for the eventual reintegration of the student into school, which provides only for the core units in which the student is enrolled. (Section 488.2 subsection D of Oklahoma School Laws 2000)

### **Rules and Regulations**

**IN-SCHOOL DETENTION:** The purpose of this suspension is to give the student the opportunity to keep up with his/her class work while being confined to an area that is nondisruptive to the overall school atmosphere. The objective of this program is to provide an alternative to home suspension for those students who fail to function acceptably in an everyday school climate. I.S.D. begins when the student arrives at school and ends at 3:05.

Students are responsible for bringing paper, pencil, books, and any other materials pertaining to their classroom assignments. Assigned work must be completed the day it is assigned. Failure to complete assignments in I.S.D. will result in home suspension for the remainder of the time assigned in I.S.D.

When a student is placed in I.S.D., the parents are notified. Any student placed in I.S.D. is not allowed to participate in any school activity, including practice. Vo-Tech students will go to Vo-Tech as usual; their I.S.D. will be in half-day sessions. Any student who is truant to I.S.D. will be disciplined. The first and second tardy to I.S.D. will result in one day added to the length of stay per tardy. The third tardy will result in out-of-school suspension (OSS) for a minimum of two days.

**SHORT-TERM SUSPENSION OF THREE DAYS:** The purpose of this suspension is to get the parents to bring the student back for a conference with the principal and teacher to resolve the situation.

**LONG-TERM SUSPENSION FOR MORE THAN THREE DAYS:** Article XXIV, Section 393, Oklahoma School Law 1982. Any pupil who is guilty of immorality or violation of the regulations of a public school may be suspended by the principal of such school, the suspension shall not extend beyond the current school semester and the succeeding semester; provided the pupil suspended shall have the right to appeal from the district of such principal to the Board of Education of the district, which shall, upon a full investigation of the matter, determine the guilt or innocence of the pupil and its decision shall be final.

Suspensions will normally be for a period of three days, but the number of days may vary, depending upon the seriousness of the offense or the number of previous suspensions. A suspended student is suspended to the custody of the student's parent, and is not allowed to be on or near school premises, nor attend any school activity while suspended. Doing so will result in further suspension.

Students using the telephone are allowed to do so by permission of the office staff, faculty or administration.

### **TEXTBOOKS**

Textbooks are the responsibility of the student that has checked them out. Students will only receive one textbook for a given class. Exact class rank will be determined at the end of the first semester of the senior year. The grades from all solid courses of the past seven semesters will be averaged. Valedictorian and Salutatorian will be determined by highest G.P.A. Ties beyond 2 decimal places will result in Co-Valedictorian and Co-Salutatorian.

If a new student moves into the district at the beginning of his/her senior year (2 semesters) and has a higher or equal total grade point average than a student who has been enrolled for at least 3 semesters, that student will share the title of Co-Valedictorian or Co-Salutatorian but will not replace the original student.

Valedictorian and Salutatorian will be chosen based on the highest GPA on a 5.0 scale. Students must take a minimum of two weighted classes to be considered for Valedictorian and Salutatorian. If no students have taken two weighted classes, the students with the highest GPA on a 5.0 scale will be Valedictorian and Salutatorian.

- any responsible discipline the administration may decide to impose;
